KSS, Trivandrum

About.. Kairali Sevak Samaj

Kairali Sevak Samaj (KSS) is a National Development Agency that takes a major role in the education sector of Kerala from year 1993. Being registered according to the Society Act, numerous admission and skill training centers are functioning throughout Kerala under KSS for 30 years. This venture is initiated with a dream to secure the future of thousands of people who couldn't continue their education due to several circumstances and hence fail to find a good job. Upon the realization that numerous experienced and skilled youngsters are still jobless even in this technically boon society, we provide an opportunity to continue their education, earn a certificate, and find a better job as well. Every education might not cover the complete skill set. If you have the skill and you are rejected due to the lack of a certificate, KSS can help to gain it after a relevant skill test. KSS has helped out several youngsters in this manner and they got the opportunity to work abroad. We have been awarded Pravasi Mitra for this service by the Hon. Education Minister of Kerala, Mr. Abdurabb. C-TECH Kerala is a venture under KSS that aims at the development of skill and knowledge, under which 1000+ job-oriented short-term Diploma courses are being commenced along with the support for the documentation process to work abroad. We were also privileged to take a great role in supporting numerous educational institutions that severely suffered from the COVID-19 pandemic. KSS also assists the students to select appropriate courses using aptitude determination processes. Our team is equipped to support the student with no-cost counseling activities thereby helping them to come out of any issues at no cost. Our biggest earnings is a group of students who could discover their appropriate field of study, indulge in it, and achieved successful life. You can also be a part of this esteemed undertaking that aims for well educated and well-employed young generation.

Our Mission & Vision

MISSION :

TO ESTABLISH THE STRONGEST FOUNDATION TO THE NATION BY FOCUSING ON EDUCATION AND SKILL DEVELOPMENT OF EVERY YOUNGSTER, EVEN TO THE SKILLED GROUP WHO WAS UNDERRATED DUE TO ACADEMIC FAILURES, THUS ERASING OUT UNEMPLOYMENT FROM THE SOCIETY.

VISION :

TO BE THE TRUSTED SUPPORT FOR ANY STUDENT WHO SINCERELY WISHES TO CONTINUE EDUCATION AND FIND A JOB THAT MATCHES HIS/HER SKILL SET, THEREBY ASSURING A PROSPEROUS FUTURE.

Services

KSS is essentially a knowledge-providing center with a key insight of creating an opportunity for the skilled, experienced, and eligible youngsters of Kerala. Unlike any other educational institution, KSS trains for the expertized skills and grants certificate, thereby satisfying the materialistic as well as talent requirements for a bright career. KSS achieves this through a set of significant programs.

Skill Certification/ Diploma Program :

Certificate matters. Sometimes it dominates the skills. Are you a person who is not selected due to the lack of relevant certificates, even though you are talented? KSS is here to help you. The people who wish to work abroad are usually the most suffered. Some people are forced to work at low pay rates due to this issue. All jobs do not have such criteria in India. But it is not the same for other countries since they insist on safety and quality. You can easily earn a certificate through KSS after a relevant skill test. The certificates are distributed by C-TECH and are approved by around 188 countries over the world. Ring at 9847900123 for further details.

Degree/ Btech Credit transfer Programme:

The number of students who completed B Tech and other degree courses is incredibly rising every year. But, only a few would have passed in all the subjects. The rest of them may have failed or discontinued the course. This is a huge crisis among the students these days. Every skilled person may not be good at academics. This can also badly affects their future opportunities like a good job, higher studies, reluctance from promotions, etc. The Credit Transfer method is a solution from KSS. You can easily pass in the backlog of papers by migrating to other universities and need not study the whole course again. You may contact at 9745220033 for further details

Secondary and Higher Secondary Level Programme:

KSS helps the students to easily clear the 10th and 12th standard papers by associating with various affiliated boards and universities. The students can pass in these courses through the boards like Council for School Education (Karnataka), National Institution of Open Schooling, Jamia Urdu Aligned, etc. The students can attend online exams on-demand as per their situation. KSS is thus equipped with the facility for online classes and other accessories for online teaching and examinations. Call at 9847900213 for more details.

C-TECH Training Programme :

KSS is a National Development Agency as well as a society approved by government agencies. Council for Technology And Science Kerala (C-TECH) is an initiative by KSS with a vision to introduce job-oriented courses all over Kerala. We are eligible to affiliate and support the institutions that commence job-oriented courses like vocational training centers, computer, paramedical, fashion designing, aviation, safety engineering, shipping, nursery teachers, Montessori, mobile technician, welding, etc and provide certificates through relevant skill tests. KSS also helps the students to access abroad job opportunities through a dedicated job portal. We also help in embassy attestation and other documentation formalities. The MS-Office Diploma certificate of C-TECH is affiliated with Kerala PSC. If you are interested to transfer your institution to a C-TECH training center, contact us at 8086500900.

Distance Education Programme :

There is always a group of people who are frequently migrating and thus find it difficult to continue their academia. With the Distance Education Program of KSS, your job is no more a restriction to study further. Being a prominent academy for distance education from 1992, KSS is extremely privileged to train numerous students without disturbing their job schedules, thereby spreading a flame of hope in their life. Even from matriculation to post-graduation, you can easily pursue by residence education, which was very useful to housewives, government professionals, and even to abroad professionals with the facility of online classes and study materials. Let us know your interest. Make a call at 8086200250.

Embassy Attestation :

A good percentage of students in India move out to foreign countries for higher studies and education. The certificate approval by the respective country is an essential phase whereas the procedure differs in every country. KSS helps the students in every stage of this documentation process upon expert opinions. For the documentation needs like attestation, WES, etc, contact the number 8086200250.

Easy Education Loan :

It is a sad fact that the financial crisis pulls back a large number of talented students from achieving their goals. KSS can help. We collaborate with Finance Peer, one of the leading financial enterprises, to sanction education loans on minor terms. It can be closed by ten or twelve equal installments from the student's salary. This e-loan is very useful to study professional courses like B Tech. For more details about educational loans, connect us at 9946010410.

Education Issues and Career Counseling:

Every individual is unique in their skills. Counseling helps to discover your skill and select the appropriate course. Every student completing their matriculation faces extreme difficulty to opt for specialization and study further. The majority of them fail to take an appropriate decision, thereby merely following the ongoing education trends and others' suggestions. That decision is crucial since the rest of the career depends on it. Your interests and ambitions should be the only factor behind your decision. Let nothing or no one interfere. Career counseling by KSS makes this task easy. You can have suggestions from the experts. Combine it with your likes and go ahead with your dream career. Do not impose yourself into an extremely different scenario at any cause as almost 50% of people are uncomfortable in their job. KSS provides direct as well as online counseling facility for which you should make an advance booking by a call or a Whatsapp msg to the number 8086500900.

KSS Job Portal:

The executive job portal under KSS enables experienced as well as skilled professionals to find a relevant job in an easy and systematic manner. We are proud of our 20,000+ students who have been professionally graduated from the government as well as private job-oriented educational institutions under KSS every year. These students are well trained as well as skilled in their respective specialization, which makes them employment-ready. The students can perform free registration and biodata updation in the portal, thereby making themselves visible to the worldwide job market. Alert mail will be sent to the students once they are shortlisted by any company. Every recruiter throughout the world can register in the portal and select an adequate plan to access the database based on a fare payable determined by KSS. Upon successful registration, the recruiters will get the provision to access the database, and download the documents related to location, skill, experience, salary expectation, etc. They can also directly contact the candidates or communicate via KSS to ensure an effective recruitment process. KSS is thus committed to coming up with an effective range of job opportunities for the skilled and experienced young public of Kerala

Franchise Details:

Kairali Sevak Samaj (KSS) put forward a diverse range of services with a key objective of academic enhancement and securing a convenient job. Herewith listing out the essential services of KSS.

- Council for Technology and Science Kerala, an initiative with the objective to offer skill-based education for the youngsters through job-oriented Diploma courses.
- Offers Diploma certificates for experienced individuals based on specific screen tests, thereby providing diverse opportunities to work abroad and in private sectors too.
- Helps in certificate attestation, web service, and other related procedures from the concerned embassies for the students who prepare to migrate abroad.
- KSS also serves as an official information center for 30 long years for several universities. We facilitate distant/online education methodologies for the students who cannot come in direct and attend courses so that education is accessible beyond any distance.
- KSS helps the students who have failed or discontinued the courses like SSLC, 12th, Degree, PG, B Tech, Polytechnique Diploma, etc to migrate into other boards or universities like NIOS, Bharathiyar and complete their course within less time via Credit Transfer Education.
- KSS runs a job portal to maintain constant communication with the companies so as to provide job opportunities for C-TECH qualified students.
- The institutions that commence the technical and non-technical courses like Fashion Designing, Aviation, Teacher Training, shipping, Mobile Technician, Paramedical, etc can enhance their accreditation using C-Tech certificate, which is eligible to apply for Employment Registration, Embassy Attestation, Private Jobs, and some posts in Public Service Commission.

Interested in Franchise? Know Who Fits Best :

- Every educational institution can function as Knowledge Providing Center, provided the classroom is a minimum of 250 feet in length.
- The institutions that are already in ongoing classes under NGO or other university and board courses can also go ahead with the Knowledge Providing Center.
- The affiliation fee to start a Knowledge Providing Center is taken off due to the COVID pandemic situation.
- Most useful for those who retired from the educational sector, who run counseling centers, admission guidance, distant education centers, distant/vocational/computer training.
